

You earned it! Don't forget to claim your digital badge.

## What are digital badges?

Digital badges, sometimes referred to as digital credentials, are a validated indicator of a person's skill, certification or accomplishment. This can be readily shared online, in email signatures, social networks, websites, and a digital résumé.

When you share your digital badge on LinkedIn, your credentials are automatically added to the Licenses & Certifications section of your LinkedIn page.

## How do I claim my digital badge?

1. Click this link and fill out the digital badge request form.
